MEMORANDUM FOR: Director of Security

SUBJECT : Office of Security Statistical Report
for OCTOBER 1969

1. The attached tables reflect some of the activities of certain components of the Office of Security during OCTOBER 1969.

2. The statistics in the tables are compiled by the component concerned and refer to the current month.

3. Processing time for the Staff Applicant case remained at a high level--89 days during the month of October, an increase of 22 days over the month of October 1968. This increase appears to bear a direct relationship to the number of support hours worked by the OS Field Offices in the handling of defector cases. During the first four months of FY 1969, 30,456 man-hours were expended while for the similar period this fiscal year 46,537 man-hours have been worked, an increase of 16,081 man-hours.

4. On 3 November 1969 a comprehensive report was forwarded to the Assistant Deputy Director reflecting an analysis of the increase in case processing time of applicant-type case during July, August, and September 1969.
